Robbery Officers are investigating a series of aggravated robberies. The suspects have targeted fast food restaurants in the South and West parts of Houston. The suspects have also robbed an independent restaurant, a liquor store, beauty supply store, and two auto supply stores. A group of three or more African American suspects enter the business, armed with pistols, and take control of the entire store including customers and employees. The suspects demand the employees open the safe and registers and forced everyone to lie on the floor. The suspects have also taken money and cellular phones from the customers. An athletic build black female is involved in all the robberies and appears to be in charge. The suspects use hooded jackets or bandanas to disguise their appearance. None of the victims or the witnesses has seen the suspect's vehicle. Investigators believe a suspect is waiting in a getaway vehicle in the immediate area during the robbery. Investigators received information that the suspects may have used a white S.U.V. or a light colored, four door, buick lasabre.
